RAJYA SABHA

made by them were implemented by HBPCL. However, the registration of HBPCL was not given on the grounds that the Institute is not following the prescribed guidelines in the production of Anti-Snake Venom Serum. On 29.3.2001, the Member Secretary, CPCSEA directed HBPCL to suspend production of ASVS, which was complied with by HBPCL. Since monsoon was approaching, a shortage of this life saving drug was apprehended and the Government of Maharashtra advised HBPCL to resume production of ASVS. Accordingly, HBPCL resumed production of ASVS from 30.5.2001 onwards and the fact was informed to the Government of Maharashtra and CPCSEA. Since the Food and Drug Administration, Government of Maharashtra, has not sent any proposal for suspension/cancellation of ASVS manufactured by HBPCL to the Drug Controller General of India, who is the Central Licensing Approval Authority (CLAA), has neither cancelled nor suspended the production of ASVS production by HBPCL.

The Government of Maharashtra has also decided to form a high level committee of experts to review various aspects regarding management of enquines in Anti-Snake Venom Serum production in Pune. The State Government has informed the Ministry of Social Justice & Empowerment that it is committed to prevent cruelty to animals.
